The service charge is applicable to all metered service. It is a "readiness-to-serve" charge which is added to the monthly water charges, computed at the quantity rates for the water used during the month.

\*The 2009 GRC Surcharge is per CPUC W-5009 which states the revenue difference between interim rates and final rates shall be recovered over a period of 36 months starting November 11, 2014.

\*\*The 2015 GRC Surcharge is per CPUC W-5070 which states the revenue difference between interim rates and final rates shall be recovered over a period of 36 months starting February 1, 2016.

\*\*\*The Treatment O&M Surcharge will be added to each service charge to recover the increased cost of labor and water treatment operations to meet compliance orders. The surcharge will terminate and expire on the effective date of the next GRC approved after AL 112.
